TECHNICAL SUMMARY

Enthusiastic Computer Science graduate with a strong foundation in programming and software development, seeking an opportunity to enhance my skills and contribute to innovative projects in a growth-oriented organization.

SKILLS

Programming: Java, Python, C, C++

Web Development: HTML5, CSS3, JavaScript, DOM

Core Concepts: Data Structures & Algorithms, OOP, DBMS

Databases: MySQL, MongoDB

Tools: Git, GitHub, VS Code

PROJECTS

1. AI-Powered Virtual Health Assistant (Hackathon Project)

- Developed a responsive web interface using **HTML, CSS, and JavaScript** for **500+ simulated users**, implementing dynamic forms and interactive features with **JavaScript DOM manipulation**, reducing form submission errors by **30%**
- Optimized UI/UX design to enhance accessibility, user engagement, and overall interaction efficiency
- Collaborated in a team under tight hackathon deadlines, delivering a functional prototype

2. Form Validation Web Application

- Built robust client-side form validation using **JavaScript**, reducing invalid submissions by **40%** and ensuring accurate data entry
- Enhanced user experience with real-time error messages for **50+ input fields**, ensuring seamless form interaction
- Developed a responsive design compatible with multiple devices, improving accessibility and usability

3. Web-Based Calculator Application

- Designed and implemented a fully functional calculator using **HTML, CSS, and JavaScript**, handling **5+ arithmetic operations** efficiently
- Implemented **DOM-based event handling** for dynamic input processing and real-time result display
- Optimized JavaScript logic to improve input/output response time by **20%**, enhancing user experience
- Built a clean and intuitive interface for improved usability across devices

EDUCATION

2023 - 2027 Bachelor of Technology(B.Tech) in Information Technology at Anurag University

(CGPA: 8.68)

2021 - 2023 Intermediate (MPC) at Sri Chanithanya Junior College

(Percentage: 9.44%)

2021 10th at Rishi High School

(CGPA: 10)

CERTIFICATIONS

- Data Structures & Algorithms Training Certificate – Suntek Corp (2025)
- NPTEL Certified Programming in java - Elite (Jan - Apr, 2025)
- Hackathon Participation Certificate – AI-Powered Virtual Health Assistant (December, 2024)
- Web development Internship - MSME Plasmid (Sep - Nov, 2024)
